When we descend on the Capitol we need to constantly chant "Fight for Trump" with the echo of millions of voices.

When we descend on the Capitol we need to constantly chant "Fight for Trump" with the echo of millions of voices. Not 4 more years, not back the blue, or any other non-sense. Let them know why we are there and what we are prepared to do. Let them feel the fear of conviction and principled people ready to make a stand.
